### Catamaran Sunset Cruise – Sail, Snorkel & Relax Along the Pacific Coast

Enjoy an unforgettable morning or afternoon aboard one of our luxury catamarans departing from the Flamingo Marina. After a smooth check-in, your crew will guide you along Costa Rica's stunning Pacific coastline as you relax with unlimited drinks from the open bar. Midway through the journey, the catamaran will anchor at a beautiful spot where you can join a guided snorkeling session and enjoy additional water activities in calm, clear waters. While you explore, the onboard chef will prepare a delicious buffet of fresh snacks for you to enjoy upon your return.
